SUMMER / WINTER EXCHANGE

Designed to build academic confidence, intercultural competence, and readiness for future international study.

- Short- and mid-term student exchange experiences for students aged 12-18 in Austrian Schools.
- Partnership with 50+ Austrian Schools.
- Partnership with local Austrian host families.
- Measurable intercultural competence and language immersion through daily practice.
- Austria ↔ International exchange formats.

CULINARY PROJECTS

Introduces participants to European culinary culture through guided, outcome-oriented learning.

- Gastronomy as a structured learning discipline with clear learning objectives and guided practice.
- Food, culture, and regional traditions.
- Programs developed together with Michelin-star-trained chefs and certified sommeliers.

SPORTS AND LEISURE

Uses structured physical activity to foster teamwork, discipline, and personal resilience.

- Alpine and outdoor education programs (football camps, ski trips and hiking).

MUSIC CAMP

Supports artistic growth through professional mentorship, performance assessment, and portfolio development.

- Intensive music education programs in Vienna.
- Masterclasses and performance-based learning.
- Participation in a final assessed concert at a prestigious Vienna concert hall.
- Certification and portfolio material aligned with academic and conservatory pathways.
- Mentorship and academic guidance.
- Partnership with University of Music and performing arts Vienna.
- Future career exploration.

ABOUT US

PLACES & FACES designs and delivers high-quality educational programs and learning experiences for students, young adults, and private groups.

Our work focuses on structured learning, cultural immersion, and long-term educational impact, supported by professional supervision and strong institutional partnerships.

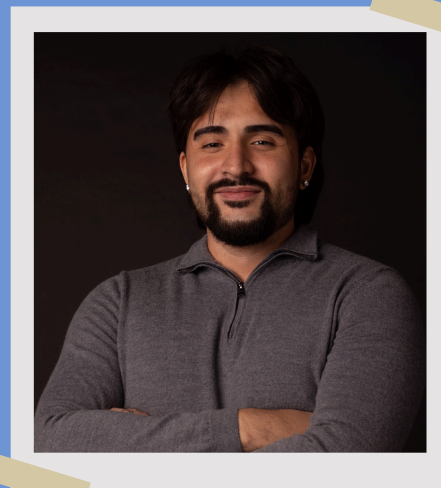

All programs are offered as fixed annual formats and can be adapted in content, duration, and structure to meet the academic needs of our partners and participants.

Daniel & Maggie

PROGRAM COUNSELLING & STUDENT SUPPORT

Maggie grew up in Hong Kong and moved to Vienna in 2016. She holds degrees in Psychotherapy Sciences with a focus on Music Therapy and Gestalt Therapy, as well as International Business. With her cross-cultural background, she supports students not only in their musical and academic development, but also in confidence, wellbeing, and adapting to a new environment. She speaks English, German, Mandarin, and Cantonese.

ABOUT OUR SERVICES

OUR EDUCATIONAL FOCUS

Each experience is designed to strengthen participants' knowledge, skills, and academic profiles, going beyond short-term participation toward lasting educational value.

- ✓ Meaningful and structured learning experiences.
- ✓ Knowledge development within each program field.
- ✓ Clear academic and educational objectives.
- ✓ Cultural understanding developed through structured practice and immersion.
- ✓ Professional supervision and responsibility.
- ✓ Certification and portfolio development.

CERTIFICATION

PARTNERSHIPS WITH LOCAL AUSTRIAN SCHOOLS & UNIVERSITIES

SUPERVISION & CARE
